

TCM Forklift Parts

TCM Forklift Parts - Forklift trucks are a major player in the material handling field of every global industry. Transporting industrial goods happens each and every day on our hectic world. Initially innovated as industrial vehicles during the 1930s in America, forklifts gained recognition after WWII during the 1940s. Becoming a reliable and efficient means to material handling solutions, the practicality and need of these machinery spread internationally.

In the year 1949, founded by Mr. N. Niwa, the original Toyo Carrier Manufacturing Company Limited, which was later named Toyo Umpanki Co, was established. Currently the business is simply known as TCM Corporation. Throughout the years, TCM forklifts have become a worldwide leader in forklift manufacturing and have built a solid reputation with the industry. TCM started building forklift manufacturing locations outside of Japan during the 1980s and is now engaged in forklift manufacturer at three foreign factories in China, the United States and Europe.

TCM proudly manufactures various models of industrial lift trucks with more than 50 years of accumulated technology and expertise, making their products recognized and used all around the world. Characterized by strong initiatives and energetic staff, TCM continues to look toward the future and aspires to become a world-class leading company.
