

Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on achieving total customer satisfaction when their customer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and detail-oriented quality values to their clients. Incorporating a fruitful heritage combined with strong processing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering consumer support, the company has four separate manufacturing facilities that allow them to persistently adapt to their clients continually evolving desires by providing a range of innovative ideas and concepts.

The Nissan Forklift North and South American foundation is located in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing methods that limit the global influence of their products and processes. These high values remind consumers that Nissan operates under the quality seal that their customers demand while being an environmentally responsive company.

Nissan is assured that they will be able to address any customer inquiries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
