

## Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse needs of their clients.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They enjoy providing products which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills together with their knowledge of cleaning applications, along with owners' strong desire to significantly lower expense through productivity gains.

When needed, the staff members within TREK and its several dealer members in both parts and in technical support would be available. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery running and ready daily is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning cost. The price, the service and the product all work as one in order to make them the leader in the business.
